GENERAL

The following services are not included in Nexus' managed support, however, are available as "Abnormal Support" billed at a rate of \$85/hour:

1. Non-supported operating system installation/configuration/troubleshooting.
2. Operating system reinstallation, for reasons other than failed hardware or hacked/compromised software.
3. Custom software installation: Nexus' may, at their discretion, assist with custom 3rd party software installation; however, the software will not be supported past installation.
4. Upgrading hard drives to a different size or type of drive, requiring the transfer of data and/or operating system and software re-installation.
5. Any and all work performed for non-managed and/or co-location clients.

- Contact Nexus' for any item/service not explicitly detailed.

Terms & Conditions

This quote is only valid for 2 weeks.

Prices exclude applicable taxes.

A minimum contract of 1 year will be signed with annually payments.

Our standard Acceptable Use Policy, SLA and TOS apply

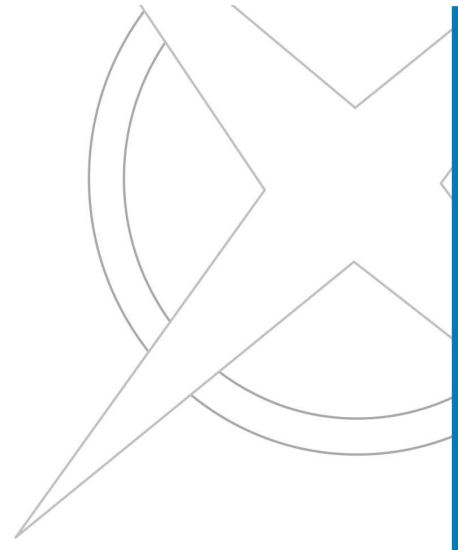

(<http://www.nexus.net.pk/policies.php>)

Servers will be available online with in 5 working days after payment.

Server Cancellations must be received in written form 2 month prior to end of contract.

Data center location for all the above servers shall be Dallas, TX, USA.

If you have any questions, please do not hesitate to contact us.
